5 Voted, To pass over.

6 Voted, That in view of the fact that over half of the pupils enrolled in the Westboro schools drop out of the grades by the end of the grammar school period or before the grammar grades are completed and that such test and preparation for life as the schools can

-give to this large [illegible] of volunteer graduates must be given in the primary and grammar grades and before the 15th year. It seems important that the school curriculums of these years contain the essential elements of training for [illegible] citizenship and industrial efficiency. To due attention to hand or manual training seems to be a signal deficiency of the present course of studies, I move that the school committee be instructed

(1) To investigate and report as to the feasibility of making manual training a feature of the curriculum of Weston schools with a view to an all round training, as well as to discover industrial aptitudes and prepare the pupils more adequately for vocational training.

(2) To consider and report what changes, if any, need be made in the present school curriculum to adapt it more nearly to the wants of pupils whose school course ends with the eighth or ninth grade.

(3) To ascertain and report what cost will be involved in the carrying out of such recommendations as shall be made, said reports and recommendations to be made within one year from this date at a special or regular town meeting.

Committee appointed at the adjourned town meeting of March 19th 1909, "to consider the methods of the town in conducting its financial affairs, and to report its findings to the town at some future meeting with the view to the adoption of safer, more economical and more business-like methods," after careful investigation of the methods now in use, submitted their report.

Voted to accept and adopt the following recommendations of the committee.

1. That all departments of the town be required to keep department books in form to meet the approval of the town auditor.

2. That no department be allowed to pay bills from current receipts.

3. That the Collector of Taxes and the Collector for the Water and Sewer Departments, pay to the Treasurer

of the Town daily or weekly, according to the receipts, all money received. That all other departments receiving money for the town, make frequent payments to the Treasurer.

4. That in all departments of the town, where for convenience and safety, it is deemed necessary to have a bank account, that the account shall be a town account in the name of the department of the town for which the money is to be used.

5. That the Collector of Taxes be instructed to make a demand and proceed to collect according to law, all taxes remaining unpaid two years and four months after the date of assessment.

6. That all schedules of bills presented to the Selectmen for orders upon the Town Treasurer, shall have the approval in writing of the department presenting the same.

7. That the Selectmen shall have the sole custody of all bonds required of the officers of the town, and that they be deposited in one of the local banks for safe keeping.

8. That the Selectmen shall cause an audit to be made of all town accounts by a non-resident accountant, at least once each year.

9. Voted, That the recommendation, that all taxes that are one year or more overdue at the time of the publication of the annual reports, shall be printed in detail as a part of the report of the Collector of Taxes, be referred to the committee, if one is appointed to carry out the committee's recommendations.

10. Voted, That the Moderator appoint a committee to take such steps as are necessary to carry out the recommendations adopted, and to prepare and submit to the town at some future meeting, a revision of the town by laws with such amendments and additions as may be necessary to render the recommendations valid and effective and to better define the duties of the Town officials Committee appointed, M. H. Walker, T. H. Reilly, C. S. Henry, Thos. F. Hastie and Thornton C. M. Fay.

5 Voted, not to accept the recommendation whereby on account of the change of date for assessment of taxes to June 1st, that taxes be made payable on Dec 1st instead of November 1st, as heretofore

Voted, To pass over.

" 5. Voted, To print the warrants and the action taken thereon in the annual Town officers' report

" 7. Voted, To print the valuation and tax list.

" 10 Voted, That the dog fund be given to the town library.

" 11. Voted, That the town maintain a night watch.

" 13. Voted, That the matter be referred to the Selectmen with full power to act.

" 14 Voted, That the town instruct the Water and Sewer Commissioners to employ one superintendent for both departments.

15 Voted, That the town appropriate the sum of one hundred dollars($100) to be expended by the School Committee in carrying out the provisions of Chapter 502, Acts of 1906.

" 16 Voted To pass over.

" 17. Voted To appropriate the sum of four hundred and fifty-six dollars($456) for the purpose of destroying the elm pest and transmitted with it the eight hundred and fifty dollars($850) appropriated, [illegible] to be transferred to this account.

Article 18. Voted, That the Treasurer's Salary be two hundred and eighty dollars ($280) and the Tax Collector's five hundred dollars ($500) and five (5) per cent of the poll taxes collected, where there was a poll tax only. That the salaries of the other Town Officers be the same as in 1909.

" 19. Voted, To appropriate the sum of forty dollars ($40.00) for the purpose of erecting monuments or head-stones for Revolutionary Soldiers.

" 20. Voted, To pass over.

" 21. Voted, To rescind the vote of Sept. 15th, 1909, authorizing the issue of notes to the amount of fifteen thousand dollars ($15,000.) for sewer improvements.

" 22 Voted unanimously, That for the purpose of meeting the expense of enlarging improving and maintaining its sewer system, the Treasurer with the approval of the Selectmen is hereby authorized to issue notes or bonds to the amount of twenty thousand dollars ($20,000), said notes or bonds to be designated on the face thereof, "Town of Westboro Sewer Loan, Act of 1910" to be dated May 1, 1910, to bear interest at the rate of four per centum per annum, payable semi-annually, to be signed by the Treasurer and countersigned by the Selectmen, and payable as follows, one thousand dollars ($1,000.) May 1, 1911, and one thousand dollars ($1,000.) annually thereafter until the whole amount authorized shall have been paid. These notes or bonds may be sold by the Treasurer and Selectmen at such time and place and at either public or private sale as they may deem expedient, provided however they shall not be sold for less than the par value thereof.

Article 23. Voted, Not to appropriate money for repairs to the Treasurer be instructed to expunge the overdrafts for repairs to P. E. O. Hall, one hundred and forty dollars and ten cents ($140.10) and Assabet River Bridge one hundred and twenty nine dollars and seventy-five cents ($129.75).

" 24. Voted, To refer to the Selectmen with full power to act.

" 25. Voted, That the town do accept the very generous bequest of the late George N. Smalley of Carver, Mass., of twenty thousand dollars, the income only to be used for the support of the Public Library.

That the bequest be known as the George N. Smalley fund, as a lasting memorial to a much esteemed former resident of the town.

That the bequest be administered by the Library Trustees as provided for by the Revised Laws of Mass.

That copies of these votes be mailed to the immediate relatives of Mr. Smalley and spread upon the records of the Public Library.

" 26. Voted, To appropriate two hundred dollars ($200.) to finish repairs on the Town Hall, including the Selectmen's Room, Town Hall and Lady Hall way.

" 27 Voted, To pass over.

At a meeting of the County Commissioners of the County of Worcester, begun and holden at Worcester, within and for said County, on the third Tuesday of June, A. D. 1912, and by adjournment on the fifth day of July, A. D. 1912.

Present:- Arthur C. Moore, Esq. Chairman
George W. Cook, Esq.,
Warren Goodale, Esq.,
County Commissioners

Upon petition of the Directors of the Boston and Albany Railroad Company, filed with the Clerk on the eighteenth day of April, A. D. 1912, and thence by due adjournment and continuance pending till the present time, representing that the Boston and Albany Railroad and a public way know as Water Street, in the Town of Westborough, County of Worcester and Commonwealth of Massachusetts, cross each other at a bridge known as Boston and Albany bridge, No. 43 A; and that it is necessary for the security or convenience of the public that an alteration, which does not involve the abolition of a crossing at grade, should be made in the crossing, the approaches thereto, the location of the railroad or way, or in the bridge at the crossing, and praying that said commissioners prescribe the manner and limits within which such alteration shall be made.

After due notice to the said Town of Westborough, view and hearing, at which view and hearing before said commissioners, came said petitioners by George H. Fernald, Esq.

its attorney, and the Town of Westborough by John W. Slattery, Esq., its attorney, and were heard, - it is considered and adjudged by said commissioners that said petition ought to be granted and that public convenience and security require certain alterations in the bridge mentioned in said petition, and thereupon said Commissioners prescribe the manner and limits within which such alterations shall be made as follows:-

1. The present underclearence of the highway under the bridge is to remain unchanged.

2. The present width of the highway between the abutments is to remain unchanged.

3. The present abutments are to be extended, - the easterly abutment on the southerly end and the westerly abutment on both ends as shown on the plan hereinafter referred to.

4. The present superstructure is to be removed. On the present abutments is to be placed a new superstructure consisting of steel beams or girders encased in concrete to form a solid slab for the support of the ballast and tracks of the railroad.

The work is to be done in accordance with a plan marked "Masonry plan, Boston and Albany R.R., N.Y.C., & H.R., R.R. Co., lessee, Bridge 43A, Boston Division, Over Water Street, 1/3 mile W. of Westborough, Mass.," signed by W.F. Steffens, Engineer of Structures and F.B. Freeman, Chief Engineer, and dated April 1912, which is to be signed by and filed with the records of said Commissioners, and made a part thereof, to which the whole of this construc-

tion is intended to conform.

The details of said bridge shall be carried out and the whole work completed to the satisfaction of said Commissioners.

Arthur C. Moore,
George W. Cook,
Warren Goodale,
County Commissioners.

Meeting called to order at 7.45 P.M. by Moderator, Warren P. Jackson, who read the warrant.

Article 1. The Committee for investigating Brigham Street reported as follows:

We as a committee to investigate Brigham Street, find that the bounds now established on the south side of the street, show, that from a point at the square to Cottage Street there are five (5) angles; also that the walk now in use is wholly or partly constructed on private property. We also find that at a point opposite the Hunt Metal Works the road appears to be only 28 ft. wide, and we are informed that the B. & A. R.R. Co., control the land up to the bounds of the Hunt property, which makes it appear that we have no highway, only a right of way.

We recommend that the town straighten the line on the south side and lay out a road not less than 40 feet wide in any part, and as much wider as practical to facilitate the heavy traffic on said Brigham Street.

W. H. Sanford, Chairman.
W. R. Clark, Clerk.
Finance Committee

Voted, To accept the report and to act on it under the articles relating to the same.

The Playground Committee reported in writing:

Report of the Committee on Play-ground.

Mr. Moderator:

Under the vote; "That a committee of seven members be appointed by the Moderator to take under consideration and report at a future meeting the subject of the establishment of a play-ground and athletic field" your committee unanimously reports as follows;

1st. That a public play-ground and athletic field is needed;

2nd. That such play-ground should be under the supervision of a playground commission of three (3) appointed by the Selectmen;

3rd. That it should be large enough for a base-ball and foot ball field, have spaces for croquet, tennis, sand boxes, swings running track, teeters, and basket ball.

In addition to the above report we have the pleasure to recommend for your careful consideration the following;

A piece of property consisting of ample space to incorporate the subject matter referred to in the third portion of your committees report and in addition, to the allowing of a straight-a-way quarter mile running track, already extremely well

bedded and almost ready for immediate use.

To this one portion of our recommendation we beg your particular attention. At the present time no municipality, to our knowledge, has such a track and the fact that Westboro has sufficient interest in her younger element will be an asset that her sister towns will envy.

The expense incident to the securing of property for such purposes as we have outlined have been studied carefully by your committee and by your accepting our report and adopting our recommendations you will find that the town has been saved approximately 65 % of the initial cost of the establishment of such a play-ground.

The property sufficiently large to accomodate the desires of the town people is as follows;

The old road bed, formerly used by the rail road, running from the Milk St. bridge to the rear of the Westboro Weaving Co. to become the running track;

The property now owned by Mr. William Leary, lying adjacent to the rail road bed and 100 feet of the property connecting with the foregoing to ~~constitute~~ the base ball and foot ball fields.

The property between Milk St. and the rail road bed, now a banking and running from the Westboro Weaving Co. and including the old town pound, to consist of spaces for the children as spoken of in the third portion of our report.

The matter of expense is confined to the purchase of the land of Mr. Leary and also the land from the heirs and others of

the late G. B. Putnam. The town owning the rest of the property.

Mr. Leary has set a price of $900. on his property, which the committee considers fair inasmuch as this property consists of 1 acre and 47 rods. The following communication from the owner verifies our statement as to price;.

We would further recommend, that the Moderator appoint a committee of seven members to obtain option on the above properties, secure estimates and recommend the means necessary for raising the sum of money necessary for purchasing and grading the same, and to report at a future meeting.

We would further recommend, That such committee be given the authority to put into immediate condition, as a play-ground and athletic field, that part of the property mentioned in this report that is already the property of the town.

Yours respectfully,
Signed-

Article 3. Voted, That the subject matter of this article be referred to the Selectmen to report upon at a future meeting.

Article 4. Voted, That the Town authorize its Selectmen to unite with the City Government of Marlborough and the Selectmen of Southborough and other neighboring towns for the purpose of investigating lighting conditions in such city and towns employing an expert on Gas and Electricity and if necessary to go before the Board of Gas and Electric Commissioners to seek a remedy for any injustice that may be found. And that for the above purpose the Selectmen be authorized to expend a sum of money not to exceed one hundred and fifty Dollars ($150.00).

Article 5. Voted, To pass over.

Article 6. Voted, That the Town appropriate the sum of three hundred sixty dollars ($360) to pay for additional electric lights voted for at the March town meeting.

Article 7 Voted, That the Town appropriate the sum of six hundred dollars ($600) for a spraying machine.

Article 8. Voted, That the subject matter of this article be referred to the Selectmen to report upon at a future meeting.

Article 9 Voted, That the town do authorize the Selectmen to sell and convey a certain piece of land adjoining the land of No. 4 school house, and authorize and empower the Selectmen to give a good and sufficient deed therefor.

Article 10. Voted, That the town appropriate the sum of one hundred fifty dollars ($150) to be expended for oiling some section of Church street for experimental purposes.

Article 11. Voted That the town rescind the vote taken Feb. 11, 1913, whereby it was voted to expend fifteen hundred dollars ($1500) in conjunction with fifteen hundred dollars ($1500) to be obtained from the State Highway Commission for special work on Main street, and that the town appropriate the sum of fifteen hundred dollars ($1500) to be expended in conjunction with fifteen hundred dollars ($1500) to be obtained from the State Highway Commission for special work on Bourke street.

Article 12. Voted, That the town appropriate the sum of three hundred dollars for the celebration of the Fourth of July.

Voted, That the Selectmen appoint a committee of five to act in conjunction with them to celebrate the Fourth of July.

Article 2 Voted, That the town accept the layout of Phillips Street as presented by the Selectmen.

Layout of Phillips Street Extention.

Worcester S. S.

We, the Selectmen of the town of Westborough, Massachusetts, having complied with the requirments of the law in relation to notifying the owners and abuttors of land over which we were petitioned to lay out a town way, after a public hearing held this day and view of the premises having adjudged that public necessity and convenience so required have laid out said town way, bounded and described as follows: Beginning on Summer Street at an iron pipe at land of Sarah W. Hill: thence by land of said Hill and land of town of Westborough S. 64° W. two hundred, seventy-four & 87/100 feet to Milk Street: thence by said Milk Street S. 53° 19' E. fifty five feet & 11/100 feet to land of town of Westborough: thence by said land of town of Westborough and land of Fannie E. Forbes N. 62° 8' E. two hundred, fifty-seven & 17/100 feet to Summer Street: thence by said Summer Street N. 36° 35' W. forty-two feet to place of beginning.

The land taken for said town way comprising about eleven thousand nine hundred and forty five square feet (11,945 sq. ft.) of land of the town of Westborough.

Said town way is to be forty two feet in width on said Summer Stret and fifty five and 11/100 feet on Milk Stret, to be called Phillips street and is laid out under the provisions of law authorizing the assessment of betterments.

Our agreement with the owners of the land over which said town way passes for its damage is as follows.

Town of Westborough. Nothing.

Article 3 Under this article the deeds from Fannie C. Forbes to the Inhabitants of the Town of Westborough, were read.

Voted unanimously, That the town accept the deeds.

Warranted Deed.

Know all men by these presents that I, Fannie C. Forbes of Westborough, in the County of Worcester and Commonwealth of Massachusetts wife of Frank W. Forbes of said Westborough in consideration of One Dollar and other considerations to me paid by the Inhabitants of the Town of Westborough, a Municipal Corporation, within and duly established by said Commonwealth the receipt whereof is hereby acknowledged, do hereby give

grant, bargain, sell and convey unto said Inhabitants of the Town of Westborough a certain lot of land situated on the southwesterly side of Summer Street in said Westborough and bounded and described as follows viz :
Beginning on said street at the northerly corner of land of Jennie W. Putman, thence northwesterly on said Summer street forty-two (42) feet to an iron pipe at land of Sarah W. Hill : thence by said Hill land S. 64° W. one hundred ninety-two and eight tenths (192-8/10) feet ~~to~~ land formerly of the Boston and Albany Railroad Company : thence by said railroad land S. 51° 10' E. sixty-three and twenty three hundredths (63-23/100) feet to other land of grantee : thence by said other land of grantee northeasterly in a straight line one hundred and sixty-eight (168) feet to the place of begining.
Being part of the premises conveyed to me by said Sarah W. Hill by her deed dated November 14, 1912, and recorded with Worcester District Deeds, Book 2014 Page 306.
Said premises are conveyed to the grantee for the purpose of maintaining thereon a Public Way and the slopes to said Public Way, and the grantor hereby releases unto the grantee any claim for damage she may have against the said grantee in consequence of the laying out of a Public Way over the premises hereby conveyed.

To have and to hold the granted premises, with all the privileges and appurtenances thereto belonging to the said Inhabitants of the Town of Westborough and its assigns to its own use and

School forever.

And I hereby, for myself and my heirs, executors and administrators covenant with the grantee and its assigns that I am lawfully seized in fee simple of the granted premises, that they are free from all incumbrances: that I have good right to sell and convey the same as aforesaid: and that I will and my heirs, executors, and administrators shall warrant and defend the same to the grantee and its assigns forever against the lawful claims and demands of all persons.

And for the consideration aforesaid I Frank W. Forbes the husband of the said Fannie E. Forbes hereby release unto the grantee and its assigns all rights to an estate by the curtesy and to any other estate or interest in the granted premises.

Westboro Mass.

October 19, 1914.

In pursuance with the foregoing warrant the inhabitants of the Town of Westborough, qualified to vote in elections and town affairs met in the Town Hall and at 7.45 P.M. were called to order by the Moderator, Warren P. Jaquith.

Article 1. The Committee on Finance reported and the report was laid on the table.

Voted, That the town accept the printed report of the School Committee.

The Selectmen reported as follows:

The Committee appointed to act with the Selectmen in relation to Articles 32, 33, 34, 35, 36, 37, 38, and 39 in the Town Warrant for March Town Meeting, in which 43 additional lights were asked for, report as follows:

The Committee and Selectmen met on August 6th, the full number being present. It was voted at this meeting not to recommend these lights for this year, for the reason that under the present contract with the Electric Light Co. we could get no better price than that which is now being paid, and it was thought best to wait until the contract expires, which is in April, 1915, when perhaps better terms can be made.

The Committee consisted of W. H. Wood, J. P. Keating, Mason Taft, A. M. Howe and the Selectmen.

J. H. Worthington
Wm. R. Cook

Voted, That the town accept the report of the Selectmen and adopt its recommendations.

Article 2. Voted, That the town appropriate the sum of ten dollars ($10.00) for maintaining a red light on East Main Street, corner of Lyman.

To the Town Clerk of Westborough,

Respectfully represents the undersigned voters of the Town of Westborough that they have reason to believe and do believe that the records or copies of records made by election officers of said town at the State election November 3, 1914 are erroneus in that certain votes cast for Eben S. Cobb for representative, 10th Worcester District were counted for George A. Whitney also candidate for representative, and they further believe that a recount of the votes cast for representative in said Town will so affect the result that said Eben S. Cobb will be found to have received more votes for representative than he is credited with receiving in said District and said petitioners hereby ask that the votes cast for representative be recounted.

Report on Motor Fire Truck.

Mr. Moderator.

The Board of Engineers acting as the committee to whom the subject matter relating to the purchase of a Motor Fire Truck was recommitted submit the following report.

We would recommend that the Board of Engineers be authorized by the town to purchase a Combination Double Tank Chemical Motor Hose Truck made by Brockway Motor Truck Co, Cortland, New York, at a cost not to exceed thirty-four hundred dollars ($3400.00). The

truck is a first class piece of motor apparatus fully equipped with ladders and all the other necessary fire equipment carried on such a piece of apparatus. This truck has a capacity for carrying ten or twelve hundred feet of hose and capable of carrying ten to fifteen men. The fire equipment on this truck is made by the American LaFrance Manufacturing Company

Report on Steam Roller and Stone Crusher

Mr. Moderator:—

Your Committee appointed Oct. 19, 1914, to report at the March Town Meeting the cost of and advisability of purchasing a Steam Roller and Stone Crusher, and consider the manner of payment, have attended to their duty and ~~and~~ report as follows;—

We advise the purchase of a Reliance Stone Crusher, having an opening for receiving stone 10" x 18", mounted on four wheels, complete with pole and whiffletrees.

A belting Elevator, suitable for a 30 ton Roller, complete.

Belt from Elevator to Crusher.

A revolving Screen 12 ft. long, 30 in. diameter, 1/4 in. steel plate, complete.

A 30 ton Roller on wheels, having a double sloped bottom lined with steel.

A driving belt 65 ft. long x 10 in. 5 ply rubber.

A 20 H.P. Boiler & Engine, with Mass. Specifications, on four wheels. This is guaranteed to be a strong practical machine capable of doing the work for which it is designed, to consist of

...pular and practical work as follows: 10"x18" Crusher with jaws closing to t/p 2" - 16 to 24 tons per hour and will crush in commercial stone 2½" and smaller making no account of the stone too large to go through the screen holes, from 12 per hour 12 to 16 tons.

They guarantee all Reliance Equipment to be first class in every respect for the purposes for which it is designed, and will furnish f. o. b. cars at factory any part found defective in workmanship or material during the first year, but not parts that need replacement through ordinary wear and tear.

They further advise the purchase of a ten ton Steam Roller, double cylinder with link motion, weighing without Coal or water 22850 lbs, with coal and water 25400 lbs.

The cost of said Crusher and Roller not to exceed $4300.00, and we further recommend that in payment of same that $300.00 be this year paid from receipts of Highway Department, and several notes be issued for $4000.00 to be known as Highway Department notes, to be paid from receipts of Highway in amounts of $1000.00 each year for the term of four years.

Report on Town Accountant.

At the annual town meeting of 1914 it was moved that a committee of three be appointed to investigate and report on the advisability of employing a town accountant and report not earlier than the annual meeting of 1915

The motion was carried and termination

discussion on article 18, "To see if the town would authorize the Selectmen to appoint a town accountant under the provisions of Chap. 624 acts of 1910." In other words your committee must report on the advisability of adopting the act; by so doing the town adopts a system of financial accounting which is radically different from the one it now has in use but which does not require the services of a so-called "expert" bookkeeper. Your committee has made a careful investigation into the workings of the act.

The system will not prevent dishonesty in administration, if anyone is so inclined, but will, we believe, tend to insure a more economic expenditure of public money. It will not be done of itself, automatically, but as the town accountant must present to the Selectmen, as we understand it, at least once a month, a statement of the financial standing of each department of the town, it will point out facts in regard to expenditures and financial conditions so that there will be no excuse for a continuation of unsatisfactory methods. The act installs a double entry system of bookkeeping, a system suited to the particular needs of our towns.

Fifteen cities and some 30 or 40 towns have adopted this act. While one or two towns we have heard from have not been under the system long enough to make a positive statement relative to the working of the same, we have not had a reply from [illegible] of selectmen who feel that a mistake was made in adopting it.

The adoption of the act depends upon whether it is desirable to install a new system of financial accounting. That is not for your committee to say; we were not asked to

investigate or pass upon that phase of the question. If, however the town should see fit to install a new system of accounting your committee feel it could not do better than to adopt Chap. 624 Acts of 1910. As the system has been in use but a comparatively short time, perhaps not long enough to demonstrate that it is a practical, economical system, your committee feel it might be well to defer definite action in the matter for the present.

Respectfully submitted

Westborough, Mass. Aug. 10, 1905.

Your committee on contracting with the Westborough Gas and Electric Co. and extension of lights desire to report that some months ago it requested the Electric Co. to submit to the committee three contracts, one for three years, one for five years and one for ten years based on the present number of lights with a price per lamp for additional lamps which might be added to the system during the life of the Contract. A few weeks ago the company submitted a contract for five years the terms of which are practically the same as were contained in the contract for three years, just expired, with the exception that under the new contract the lights are to burn till 1-30 a.m. instead of 1 a.m. The contract as submitted is not at present satisfactory to your committee and they ask that it be given further time in which to consider the matters they were appointed to consider.

The Committee on Drainage of Surface Water on Central Street made the following report:

Westboro, Mass., Aug. 10, 1915.

Report of Committee appointed by the moderator at the last Town meeting, consisting of the Board of Selectmen, Water & Sewer Boards, and Messrs. T. H. Treadway, R. S. Newton, & W. J. Mozart, to consider how best to care for surface water on Central St.

Your Committee after several meetings and conferences decided on a plan which they think will amply care for the surface water on Central St.

Your Committee has had the advice of three able Engineers and the plan finally adopted is that recommended by the State Highway Engineer.

This plan provides for two mica catch basins connected by pipe to two larger receiving basins, these to be located one on each side of Central St.

One catch basin on West Main St., at head of Central St., connecting with the main drain located on south side of West Main St.

This plan further provides for a corrugated drain pipe laid on Cross St., across the head of Central St., then grading up Central St. to meet the grade of Cross St., grading up the gutter of Cross St., to take water that now flows onto Central St., onto the west side of South St.

Your Committee recommends the adoption of this plan and that the town appropriate a sum of money not to exceed $400 to carry it into effect.

J. H. Woodman
For the Committee.

Voted, That the Town accept the report of the Committee on Drainage of Central St.

Article 2. Voted, To lay the subject matter of this article over until the October meeting.

Article 3. Voted, To appropriate ~~Six~~ Hundred and Fifteen Dollars ($615) for a new boiler for the Harvey School Building, and if there is any shortage, the amount to be taken from the School Repair Funds.

Article 4. Voted, To pass over.

Article 5. Voted, To appropriate Four Hundred Dollars ($400) for the purpose of disposing of the surface water on Central Street.

Article 6. Voted, To appropriate One Thousand Dollars ($1,000) for use in the Highway Department.

Article 7 Voted, That the Town accept Section 17, Chapter 25 of the Revised Laws, whereby a town may appropriate money for the prevention of forest fries to an amount not exceeding one tenth of one per cent of its valuation.

Said notes to be dated November 1, 1915 and to be signed by the Town Treasurer and a majority of the Selectmen and as they become due to be paid from the receipts of the Highway Department.

4. Voted, That the Town authorize and empower the Board of Selectmen to contract with the Westborough Gas and Electric Company for lighting its streets by electricity for a period of five years from November 1, 1915 and to execute in the name of the Town the following contract:

Contract for Electric Lighting

This Agreement made this 30th day of October, 1915, by and between the Westborough Gas and Electric Company, a corporation duly organized and existing under and pursuant to the laws of the Commonwealth of Massachusetts, hereinafter called the "Company", its successors and assigns, of the first part, and the Town of Westborough, a municipal corporation in said Commonwealth, hereinafter called the "Town", of the second part, Witnesseth:

Article 1. The Company, in consideration of the ~~ontages~~ which may exist, agrees to furnish to the Town one (1) incandescent light for

street lighting of the so-called sixty (60) candle power, and three (3) incandescent lights for street lighting of the so-called forty (40) candle power, one (1) of which to be the red light, and to erect, suitably equip and light the same and renew them whenever they become dim, broken and burned out as hereinafter provided, in such places as the Selectmen of the Town shall direct, and to maintain the same during the time of this contract in good order and condition free from any charge or expense to the Town.

Article 2. The Town agrees to maintain not less than fifty-nine (59) incandescent lamps of the so-called sixty (60) candle power each and one hundred seventy-six (176) incandescent lamps of the so-called forty (40) candle power each, and to pay therefor and for such other lights as may be hereinafter ordered by the said Town the amounts of money and upon the conditions hereinafter set forth.

The Company agrees to furnish to the said Town annually, in addition to the lamps hereinbefore specified, and as part consideration for the annual payment to it by the Town as hereinafter provided, of the sum of four thousand two hundred sixty dollars ($4,260.00) 5750 lamp hours, which is equivalent to twenty-five (25) sixteen (16) candle power lamps, each of which shall be used two hundred thirty (230) hours each year, it being understood and agreed that the said lamps shall be located in the Engine House of the said Town of Westborough.

The Company agrees to furnish and maintain the said street lights, and to light, the

same from one half (½) hour after sunset to one (1) o'clock in the morning during each day of the term of this contract and to light the same between October 1 and April 1, in each year covered by this contract; from five (5) o'clock in the morning until daylight.

Article 3. The Company agrees that it will furnish and maintain free of expense to the Town all construction work, lamps, wires, poles, fixtures and apparatus required for said service and for renewals and extensions and breakage of same, and for all changes of lights deemed necessary by Board of Selectmen in connection with such renewals and extensions and when occasioned by any order passed by said Board of Selectmen under Section 2, Chapter 122 of the Revised Laws as the same has been amended.

It is, however, understood that the Company shall not be called upon at its own expense to move more than three (3) lights in any twelve (12) months, and that the Town will not require the said Company to erect and maintain said lights further apart than one (1) light every four hundred (400) feet in the central district and no further apart than one (1) light every four hundred and forty (440) feet in the outlying districts. Furthermore, in consideration of this agreement, the said Town hereby agrees to grant to the said Company such reasonable pole locations along its highways as the Company may require for its transmission and distribution of electricity.

Article 4. The Company further agrees that in consideration of the award of this contract it will indemnify and save harmless said Town from any and all loss, damage, cost and

expense incurred by said Town by reason of any injury to persons or property arising from installation of line, imperfection of construction and maintenance of the poles, wires, plant, fixtures, apparatus and lights of the Company.

Article 5. Tests of any of the said street lights may be ordered by the Selectmen at any time, and if such tests shall prove the lamp or lamps to be below the requirements herein specified, then the expense of test shall be borne by the Company and a new lamp of proper illumination installed immediately. But should the test prove the lamp or lamps to be within the said requirements, then the expense shall be borne by the Town.

Article 6. The Town hereby agrees to pay annually to the Company for electricity to be furnished by the Company for the lamps hereinbefore specified, the sum of four thousand two hundred sixty dollars ($4,260.00) to be paid each year during the continuance of this contract in equal monthly payments to be paid on or before the fifteenth (15th) day of each month upon presentation to the Treasurer of the Town on or before the first (1st) day of the month of the bill for such proportionate amount, it being hereby mutually understood and agreed that in case the Town installs or causes to be installed lamps in addition to those hereinbefore specified, then the Town shall pay to the Company for each so-called sixty (60) candle power lamps installed in addition to the lamps hereinbefore specified, the sum of twenty dollars ($20.00) per annum and for each of the so-called forty (40) candle power lamps installed

in addition to the lamps hereinbefore specified, and for each red light of the same wattage, the sum of seventeen dollars and fifty cents ($17.50) per annum, which said additional sums shall be paid to the Company by the Town in equal monthly payments at the times hereinbefore provided for the annual payment of the said sum of four thousand two hundred sixty dollars ($4,260.00).

Article 7. This contract shall continue and be in force for the period of five (5) years from the 1st of November, 1913.

Article 8. It is further understood and agreed that the Company will maintain a record book in which will be recorded all notices of lamps being burned out or broken and such defective lamps are to be replaced within twenty-four (24) hours after notification by the Town. This book will be open for inspection by the Selectmen or their appointed agents at any reasonable time.

Article 9. The Company agrees to provide one gain on each pole erected and to be erected in said Town by said Company for the Town's use for Fire Alarm and Police Signals wires exclusively.

Article 10. That the Company will patrol the street lights of the Town of Westborough one night each week.

In Witness Whereof the Westborough Gas and Electric Company, by its President and Treasurer thereto duly authorized, has caused these presents to be executed on its behalf and its corporate seal to be hereto attached, and the Town of Westborough, by its Selectmen thereto duly authorized has caused these presents to be executed in its name and behalf and its corporate seal to be hereto attached the day and year above written.

To any Constable of the Town of Westborough in the County of Worcester, Greeting:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Westborough, qualified to vote in elections and town affairs, to meet in the Town Hall, in Westborough, on Tuesday the second day of May at seven forty five o'clock in the afternoon, then and there to act on the following articles:

1. To hear and act on the Report of any outstanding Committees.

2. To see if the Town will appropriate a sum not exceeding four hundred dollars to finish repairing and graveling Adams St., or act anything in relation to same.

3. To see if the Town will vote to extend its lighting system from the end of the present line to the house of Mrs. L. Price on Fisher St., or act anything in relation to same.

4. To see if the Town will appropriate a sum of money not exceeding one hundred twenty-two dollars and fifty cents for maintining seven electric lights as voted at March meeting.

5. To see if the Town will appropriate the sum of seventeen hundred dollars and the unexpended balance for street oiling purposes, the whole or part of cost to be charged to abutters, or act anything in relation to same.

6 To see if the Town will vote to authorize its Selectmen and two members of School Committee and Joseph S. Gates to petition the General Court.

to authorize the Town to borrow a sum of money not exceeding sixty thousand dollars for the purpose of erecting a High School building and to give therefor the promissory notes of the Town, each for a sum equal to one twentieth of the sum to be borrowed and payable in successive years, the first in one year after date and the last in twenty years after date, all notes bearing the same date signed by the proper officers of the Town as required by law and bearing interest not exceeding 4 1/4 per cent per annum, or act anything in relation to such a building.

And you are directed to serve this Warrant by posting up attested copies thereof at the Post-Office and Town Hall in said Town seven days, at least, before the day of holding said meeting.

Hereof fail not and make return of this Warrant, with your doings thereon, to the Town Clerk of said Westborough, on or before the time of holding said meeting.

Given under our hands this twenty-second day of April in the year of our Lord nineteen hundred and sixteen.

Westborough Mass., April 24, 1916.

Worcester ss.

I have this day served the within warrant by posting up attested copies thereof at the Post-Office and Town Hall in said Westborough.

Thomas W. Humphrey
Constable of Westborough.

Westborough Mass., May 2, 1916.

In pursuance with the foregoing warrant the inhabitants of the Town of Westboro, qualified to vote in elections and town affairs, met in the Town Hall and at 7.45 P. M. were called to order by Moderator, Warren P. Jackson.

1. The Finance Committee reported in print. Voted, That their report be accepted.

The Committee appointed to investigate in regard to a new High School building reported as follows:

"We find the present building provides for only 100 pupils. Last September the school opened with 175 pupils.

The Superintendent estimates that next September there will be not less than 210 in attendance.

To relieve the crowded condition, the pupils were divided, part attending in the morning and part in the afternoon; a temporary expedient open to very serious objection.

The present building has been carefully examined by your Committee and by two architects, and all agree in the opinion that it is not feasible to enlarge or remodel it.

The building when erected was cheaply constructed, the original appropriation being $4000.00, and it has been in use for a long term of years.

The brick walls above the first floor are only a scant eight inches in thickness, and are in part more or less cracked, while the front wall of the original building has settled several inches.

The building was so planned that no addition can be made without cutting off the light from the rooms, except at the rear, where there is not

sufficient space, there being only 48 feet to the division fence.

Besides this, changes necessary to make the building comply with the law, would entail an expense of several thousand dollars.

To provide the necessary facilities your Committee has had under consideration three propositions, as follows:

First. The enlargement of the present building.

Second. To continue this building in use for the present with such changes as the law requires, and build a structure to be connected with the old by corridors, with capacity for 300 pupils in all; this to be planned as part of a new High School Building, to be completed later on.

Third. A new High School Building

The second plan has had careful consideration, and sketches and plans have been made by competent architects, and careful estimates made, and it is found that the cost of such building, furnishing accomodations for 200 pupils, together with the estimated expense of changes, necessary in the old building, is estimated at about $53,000.00 for a capacity of 300 pupils in all.

The Committee is of the opinion that the difference in cost as against a wholly new building, is too little to entitle it to serious consideration.

As to the proposition for a new building, your Committee received from the School Committee three sets of sketches and plans submitted by architects of ability and experience, familiar with school house construction.

One set of these plans seems to us to be well suited for our needs.

It calls for a building to be of red bricks, with sand stone trimmings; two stories with high basement, to be of first class construction, all

fire proof except the flat roof; well lighted throughout.

The plans were made after consultation with the School Committee and Superintendent, and provide the necessary facilities for a modern High School building, providing accomodations for 300 pupils.

The cost of such a building complete without additional equipment, is estimated at $60000.00 on the basis of present cost of labor and materials.

The Committee recommends that the town erect a new High School building as proposed herewith.

As to the matter of site, the Committee is of the opinion that, all things considered, the present High School lot is best suited for the location.

If the old school house should be removed to make way for the new, it would of course be necessary to find temporary accomodations for the school while the new was building.

Respectfully submitted,

Committee { George H. Woodman, G. P. Keating, E. A. Jersey, A. M. H. Clark, M. H. Walker, Chairman }

The report of the Committee was accepted and laid on the table to be taken up under Article 6.

2. Voted, To pass over.

3. Voted, Not to extend the lighting system from the end of the present line to the house of Mrs. L. Pineo on Fisher St.

4. Voted, That the Town appropriate the sum of one hundred twenty-two dollars and fifty cents ($122.50) for maintaining seven electric lights as voted at March meeting.

5. Voted, That the Town appropriate the sum of seventeen hundred dollars ($1700.00) for oiling such of its public streets or parts of public streets as the Board of Selectmen may designate; and the estates abutting on the public streets or parts of public streets thus designated and oiled shall be assessed one half of the cost.

Voted, That the Town use the unexpended balance of the street watering account in watering its public streets.

6. Voted, That the Town authorize its Selectmen and two members of the School Committee, A. N. F. Clark and M. H. Walker, and Joseph S. Gale to petition the General Court to authorize the Town to borrow a sum of money not exceeding sixty thousand dollars ($60000.00) for the purpose of erecting a High School building, and to give therefor the promissory notes of the Town, each for a sum equal to one twentieth of the sum to be borrowed and payable in successive years, the first in one year after date and the last in twenty years after date, all notes bearing the same date signed by the proper officers of the Town as required by law and bearing interest not exceeding 4 1/4 per cent per annum.

A standing vote was taken and there were one hundred and fifty in favor and twenty opposed.

The meeting dissolved at 9.10 P. M.

By-Laws of the Town of Westborough.

Relative to Junk Dealers and Junk Collectors.

Section 1. That the Selectmen may license suitable persons to be dealers in, collectors of, and keepers of shops for the purchase, sale or barter of junk, old metal or second hand articles subject to the provisions of Sections 29 to 32 inclusive of Chapter 102 of the Revised Laws and Acts supplementary and amendatory thereof; and may revoke such license at pleasure.

Section 2. That every shop keeper shall keep a book in which shall be written, at the time of every purchase of any such article, a description thereof, the name, age and residence of the person from whom, and the day and hour when such purchase is made; that such book shall, at all times be open to the inspection of the Selectmen; that every keeper of such shop shall put, in some suitable and conspicuous place in his shop, a sign having his name and occupation legibly inscribed thereon in large letters; that such shop and all articles of merchandise therein and any place, vehicle or receptacle for the collection or keeping of the articles aforesaid, may be at all times examined by the Selectmen, and no keeper of such shop nor any dealer or junk collector shall directly or indirectly, either purchase or receive by way of barter or exchange any of the articles aforesaid of a minor or apprentice, knowing or having reason to believe him to be such; and no article purchased or received by such shop keeper shall be sold until a period of at least one week, from the date of its purchase has elapsed.

Section 3. That every vehicle which shall be used in town for or in the collection of junk, old metals or second hand articles, shall have placed upon the outside and upon each side of the same the name of the licensee, the number of the license in plain, legible letters and figures of not less

than three inches in length and so that the same may be distinctly seen and read; and any person owning, having the care or driving any such vehicle shall wear a badge or some conspicuous part of his clothing, with the number of his license thereon in plain legible figures of not less than one inch in length.

Section 4. That every person who collects junk, old metals or second hand articles without a vehicle, shall wear a large badge on some conspicuous part of his clothing with the number of his license thereon in plain legible figures of not less than one inch in length.

The foregoing By-Laws were adopted by the Town of Westborough September 30, 1907, and approved by Dana Malone, Attorney General, November 13, 1907.

TREATMENT REPORT
August 1990

Town Records
Vol. 9
Westborough

Upon receipt, this book was in its original cover. The hinges were broken and the spine adhesive deteriorated. The paper was acidic.

The book was dismantled and mended with Japanese tissue and methyl cellulose paste. All folios were treated with Wei T'o non-aqueous deacidifier. Weak folios were reinforced with Cerex nylon and Bostik web adhesive.

The book was resewn and backed with linen. Spine adhesive is hot animal glue. Cover material is goatskin and all boards and flyleaves are acid-free.
